About This Game

Black Lagoon presents King of Cheese. A themed slot game with beautiful symbols such as cat, mouse and our new excitement- cheesecoins. Cheesecoins pay out their values when they align on a payline. The value of a single cheesecoin can reach an incredible 2000x.

Game Rules

- Winning combinations and wins for the selected bet level are displayed in the paytable.
- All win line payouts must appear on an active win line consecutively from the far left reel.
- All displayed prizes are prize totals with all applicable multipliers already considered.
- Only the highest payout per active win line is awarded.
- Malfunction voids all pays and plays.
- Theoretical RTP is 96%.
